3. That the inamdar has produced documentary proof of enjoyment from 1868 to 1890-91 & that the presumption of enjoyment during the previous years may be justified by the recorded entries in the original Chittra of 1845 received with the Chittra of 1827-28 & the Memo of 1830;

Sir

In submitting herewith the record of enquiry relating to the Loddy Revenue of Udaboor Kayamgutha village, Mysore taluk, I have the honor to state that the investigating Officer is not correct in his finding that the Kayamguthadar is entitled to Excise Revenue from Loddy. I have already in my letter N^o 5259, dated 19th April 1897, given my opinion in the matter. The Samud of the village does not concede the Alkari Revenue from Loddy. At the Inam settlement the Alkari Revenue has been reserved to the State. If the Kayamguthadar was not satisfied with the Inam settlement, he was at liberty to appeal to the Government against it. He failed to do so. The Samud of the village shows that it was granted as Kayamgutha in the year 1830; but the authenticated copy of

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE

DATED BANGALORE, 31st May 1907

From

P.N.Purnaiya Esquire, B.A.

1-6-07

Excise Commissioner in Mysore.

To

K.S.Chandrasekhara Iyar Esquire, B.A., B.L.

Secretary to the Government of His Highness the Maharaja of Mysore,

General and Revenue Departments.

Sir,

Adverting to the correspondence ending with your docket No.428/Ex.F.12-01, dated 26th November 1903, regarding the claim of the Inamdar of Kayamgutha Udabur in Mysore Taluk to the Toddy Excise revenue of the village, I have the honor to submit herewith copies of the marginally noted further communications from the Deputy Commissioners, with the enclosures thereto filed with the enclosed records of the case.

2. As regards the discrepancy pointed out in the matter of the existence of a grove in the village, it will be seen from the records now submitted how both the Assistant Commissioner in charge of Mysore Division and the Excise Divisional officer, have, after personal inspection reported that the village has date groves, and how the previous finding as to the non-existence of a grove is a mistake having been based on the statement of one Nanjappa (the previous Inamdar) who having alienated the village had not visited it for a long time, and Nanjappa himself has admitted his mistake in this respect

3. Authenticated copies of the Nirup of the 1st February 1830 (9th Magha Sudha of the year Virodhi) under which the village was granted on Kayamgutha tenure, and of the

Mutchilikas

No 228 dated
1st Decr 1906
and
no. 39 dated 9th

Mutchilikas referred to in the finding of the Deputy Commissioner (the late Mr.B.K.Venkatavaradaiengar) will be found filed in the records. I have also enclosed for reference a copy of the Inam Settlement Register since obtained from the Superintendent of Inam Settlement.

4. Lastly in regard to the Beriz account for the year of alienation, called for by Government, I beg to state that no account of the particular year in question has been produced. The Deputy Commissioner has, however, submitted the Kulvar Chitta for the year Sarvajit (1827-28) produced by the present holder of the village and in doing so observes that therefore "it may be seen that the toddy revenue had merged in the Beriz of the village even before alienation".

5. Perusing the Nirup of 1830 it will be noticed that the beriz of the village for purposes of the Kayamgutha grant has been determined with reference to the Huttuvali of the five years preceding; and according to the Chitta for 1827-28 the beriz includes an item of 3 Varahas under Ichalpairu a term, which having been among other items of miscellaneous taxes (ಇಲ್ಲಾ ಪರಿಷತ್) detailed in the Chitta, may be construed to have been used to mean distinctly the Excise revenue from toddy, in consonance with a similar finding accepted by Government in Proceedings No.332-4/Ex.F.12-01, dated 16th February 1903 with reference to the rights of the Sivasamudram Jahagir.

6. On a further consideration of the question in the additional light thrown by the Chitta, of 1827-28 since produced by the Inamdar, which gives the details of the beriz alienated by the Nirup of 1830, and also in view of the fact that the Nirup has not reserved any rights, I am inclined to reconsider my opinion contained in my letter to Government No.4571/239, dated 7th February 1903, and to say that according to the grant the Inamdar has been conceded the Excise revenue from toddy.

7. As regards actual enjoyment of the revenue by the Inamdar, uninterrupted documentary evidence dating from 1868 has
been

been adduced; and a presumption of enjoyment during the previous years may be justified by the recorded entries in the original Chitta of 1845 received with the Chitta of 1827 28, and the Nirup of 1830; and even the adverse finding at the Inam settlement has not interrupted such enjoyment.

8. In these circumstances I beg leave to support the Deputy Commissioner's finding conceding the Excise Revenue from Toddy to the Inamdar.

9. The village has both a shop and a grove and the case therefore falls under paras 2, 5 and 9 of the Rules of the 2nd August 1901.

I have the honor to be,

Sir,

Your most obedient servant.

*Proceedings of the Government of His Highness the Maharaja of Mysore
Financial (Separate Revenue), dated 11th June 1908*

READ—

The following letters from the Excise Commissioner in Mysore, relating to the claim to the toddy revenue of Udabur Kayamgutta village, Mysore Taluk:—

1. No. 4571-239, dated the 7th February 1903.
2. No. 4342, dated the 31st May 1907.

No. FL. 6461-3—S. R. 52-02, DATED BANGALORE, 11TH JUNE 1908.

ORDER THEREON.—The sannad does not expressly concede the toddy excise revenue and the Inam Settlement actually reserves it to Government. The Excise Commissioner was in his first letter read above of opinion that the Inamdar was not entitled to the toddy excise revenue.

2. On a further consideration of the question of the extent of rights conceded by the sannad to the Inamdar in the light of additional evidence adduced by him, the Excise Commissioner is of opinion that as according to the Kulwar Chitta of 1827-28, the beriz of the village includes an item of three varahas under "Ichal-pairu," a term which may in his opinion be construed to mean excise revenue from toddy, the Inamdar is entitled to toddy excise.

3. On an examination of the chitta accounts produced by the Inamdar with reference to the consolidated account of the whole taluk for some years before and after 1830, it is found that toddy revenue was included in "Baje Bab" and no revenue was shown under this item against "Kayamgutta villages." The entry of three varahas in the Chitta accounts cannot therefore be sufficient evidence of the alienation of this item of revenue to the Inamdar.

4. On the other hand on a consideration of the several documents produced by the Inamdar in support of his claim, Government (agreeing with the Excise Commissioner) are of opinion that there has been long continued enjoyment of toddy revenue though unauthorizedly and that the case is one deserving of special treatment under Rule 20 of Government Order No. 2074-83—R. F. 166-92, dated the 2nd August 1901.

5. In accordance with the principle underlying the late Chief Commissioner's Proceedings No. 3697—Rev. 30, dated the 8th October 1873, the toddy excise revenue will therefore be allowed in full to the present proprietor of the village and in one moiety to his successor in title after whom it shall lapse to Government.

6. The village has both a grove and a shop and the payment of revenue will be regulated by Rules 2, 5 and 9 of the Government Order of the 2nd August 1901 referred to above.
